

The Mānoa Disaster Preparedness Team is No More

Wait. What happened? Not to worry. The Mānoa Disaster Preparedness Team has changed its name to **Be Ready Mānoa**. Same people, same mission. We are now officially a corporation (unfortunately NOT tax exempt) of community volunteers. The official information is:

Be Ready Mānoa

P.O. Box 61623

Honolulu, HI 96822

email – info@bereadymanoa.org

Website – bereadymanoa.org

Lots of things are happening. You may notice our new logo above thanks to Courtney Hara a UH senior in graphic design. Also, plans for the Be Ready Mānoa community fair in September are going full speed ahead. Sponsors, vendors, exhibitors, entertainment and much more are lined up. Plans are to stimulate interest by involving local schools and school kids in disaster preparedness and education.

Stay tuned for future developments including the unveiling of our super hero mascot **“Disaster Blaster”**.
