

# November HHARP

The next Hawaii Hazard Awareness Resilience Program (HHARP) is scheduled for November 16 at 6:00 pm in the Japanese Seventh Day Adventist Church, 2655 Manoa Rd. The date has been changed from the normal fourth Wednesday to the third Wednesday due to the proximity of Thanksgiving. There will not be a HHARP session in December.

The aim of the Awareness and (HHARP) is to prepare to be and after events, improve care of their own negative impacts of disasters. HHARP can enhance community resilience through education and outreach sessions that build awareness and understanding mitigation, response and and county management

Hawaii Hazards Resilience Program help communities self-reliant during natural hazard events, improve their ability to take care of their own needs, and reduce the negative impacts of disasters. HHARP can enhance community resilience through education and outreach sessions that build awareness and understanding mitigation, response and and county management

of hazard preparedness, recovery. State emergency agencies have partnered to administer HHARP in support of community leaders willing to implement the program.

Always have a disaster plan for the inevitable.
