

American Red Cross of Hawaii Needs Volunteers

The American Red Cross of Hawaii is looking for willing and able volunteers to build capacity in responding to increasing climate-change related disasters. Please note that you will be asked to select a position that you want to volunteer for and you will be required to upload a valid form of ID and your SSN so that the ARC can do a background check. The pandemic hit the ARC of Hawaii volunteer pool severely – so please consider becoming a volunteer and helping out. Here is the link to the ARC of Hawaii Volunteer site:
