

Get a FREE Walkie Talkie by Participating in the Kupuna Coconut Wireless Communication Network

AARP and Be Ready Manoa have partnered to connect neighbors across Manoa Valley by providing an alternative mode of communication following a major disaster like a hurricane where electrical lines and cell towers will be down. Receive a FREE walkie talkie if you sign up to be a part of the Kupuna Coconut Wireless Communications Network. This program is open to all Manoa Valley residents age 55 years or older, and the training to learn how to operate the walkie talkie will be held on Wednesday April 24 from 9:30 am to 11:30 am at the Hale Kokua o Manoa Adventist Community Center 2655. Register: <https://events.aarp.org/manoa4-24> or call 877-926-8300 or click on the QR code. Refreshments will be served. Drop-ins welcome if space allows.
